The Barium Messenger

A Confession, A Revelation and A Challenge

A Privilege I did not have last Thanksgiving and a confession to be made.—By Mrs. Thomas C. Cook, wife of the pastor of Little Joe's Church.

A privilege I did not have last Thanksgiving was to live amongst 313 fine sturdy boys and girls of North Carolina at Barium Springs. This Thanksgiving I can thank God that He has sent me and my family to such a place of privilege and work.

By this time you must be wondering where were you last year and what does this praise have to do with this Thanksgiving. Only this, that I was in your place last year in one of our churches and called upon to remember this Orphanage at Thanksgiving time.

Now I am **making** it my opportunity to call all members of our Presbyterian churches in North Caorlina to a renewed interest in these boys and girls from all over North Carolina.

To renew is to **make new again, restore, begin again, resume, renew one's efforts.** This is my challenge.

As I was going down my memory lane of last Thanksgiving, I quizzed myself as to what was my attitude as I heard and was reminded of Our Orphans. As I searched my heart for a true answer to this quiz, these are my answers:

(a) I did not interest myself enough to write for material, to read our church papers, or The Barium Messenger, to learn all about Barium Springs Orphanage in order that I might **acquire** the knowledge necessary for interest.

(b) I was so happy with my own family and Home that I was willing to share **something** but not to a point of **sacrifice.**

Defined I would say as Selfishness. (God could not say of me as He did of the widow that I had given my all.)

(c) I did not visit Barium Springs but once in seven years.

Defined as lack of interest in the work of God's Kingdom and selfishness again.

(d) I did not pray for the work of this Orphanage or its workers throughout the year.

Defined again as selfishness on my part.

Now as you read over this list of items of which I plead guilty. I believe you too will admit that a large percentage of the Christians of North Carolina in our churches, if they searched their hearts and consciences, would also have to admit guilt.

Before I go any further with this article may I confess what I did do last year.

(a) I prayed for the work of our Orphanage **at Thanksgiving.**

(b) I went to my pantry shelf for a couple of jars of fruit.

(c) I gave (notice— not sacrificed) to this worthy cause.

Now, fellow Christians, what did you do? God has given us an illustration where the rich man gave of his abundance, the widow of her mite. Are you satisfied with your last year's report as you recall your personal entries???

This year I am grateful to say that I have learned more of the work of this Orphanage. These children have a place in my heart as my very own do. I see the need for daily prayer for these who are less fortunate, as I see and feel the need for greater sacrifice.

I believe during the fall and early winter every housewife takes inventory of her home, as she does her fall cleaning. As I have just finished my house cleaning for my immediate family, I made a list of the things worn out, the things that needed mending to help tie us over the winter, the replacements badly needed, etc. On a limited income, naturally my list had to be conservative.

Now I ask you Mothers and Fathers to sit one night this coming week amidst the comfort of your homes and ponder the needs of 313 children as you think of the needs of the one, two, three or more children of your own. Don't they need:

Warm undies, coats, hats, golashes, raincoats, sweaters, shoes, blouses, dresses and always socks and hose. If they are healthy, aren't they always hungry and don't

GOOD NEWS

There are two items of good news about the regluar giving for this - the Thanksgiving number of the Barium Messenger:

The Ladies' Bible Class of the Mount Holly Sunday School has voted to give the first Sunday Offerings to the Orphanage, and the gift for the month of November is already in hand. The Men's Bible Class of that same church started the Offering-per-month plan last June and has already sent over $55.00 to Barium in six months. 'Tis good that the ladies have joined the men at Mount Holly in this monthly procedure.

From the Troy Auxiliary comes the delightful news that the Auxiliary has definitely decided to give Barium Springs $1.00 per month. That's great. The first $1.00 has already reached this place.

Of course, there's a lot of news around the middle of November, when this brief article is being written, about the Thanksgiving Offering, but the good news at Thanksgiving-time limits itself to one particular brief period, while the good news about decisions to give to the Orphanage regularly are not for one week or for one month, but will go on and on.

Thanksgiving And Its Vitalness to Barium

Months of Intensive Preparation Have Preceded the Taking of the Annual Thanksgiving Response This Week. Hundreds of People Have Worked In Behalf of Home.

This week - the week that this issue of The Barium Messenger is reaching over 24,000 homes and is available for reading by the majority of 84,582 Presbyterians of the North Carolina Synod - is that all-important and extremely vital week in the life of the Presbyterian Orphans' Home. This is known as the Thanksgiving-week, and during these immediate seven days every effort will be expended by thousands of people - committeemen, pastors, Orphanage Secretaries and individual friends - to see that a most generous Thanksgiving Offering is made for this Home at Barium Springs, and that the Presbyterian constiuency of this Synod will become more thoroughly familiar with their Orphanage.

The vitalness of this scant few days lies in the knowledge and fact that at least one-half of all that the Presbyterians of North Carolina will give to Barium Springs in its 1938-1939 fiscal year will be contributed during this brief period between November 20th and November 27th. That has been the usual experience here for a good many years, and in some fiscal periods more than one-half of Barium's annual receipts have been donated at Thanksgiving. Should another liberal Offering be made this Thanksgiving - and there is every reason to feel that this will be true - then the work of this Home shall go forward, even as great advancement has been made down through the years through the generosity of those who keenly feel their responsibility and privilege of providing for motherless and fatherless boys and girls.

Whatever the results might be during this week will not come simply through a brief one-week activity. Had you visited Barium Springs away back yonder about the middle of August, you would have witnessed the initial beginning of preparations that have grown in intensity and magnitude as the months and days have gone by. Had you been at Barium Springs in early October to have had a look-in on the meeting of Synod's Orphanage Committee you would have seen a group of busy business men assemble to discuss and make plans. Had it been possible for you to have visited each church in the Synod you would have seen a committee here, or an Orphanage Secretary there, or some other leading individual somewhere else map out the procedure for his or her, or their, particular church. If you could have sat in upon the congregations throughout the Synod last Sunday, you would have heard the ministers presenting the Orphanage cause and urging their people to make generous donations to Barium Springs. There's hardly a nook or corner in this old North State where you could have failed to hear something about the Orphanage.

Or, if you could have (and maybe you were one of the many hundreds who did so) visited the Orphanage during the past summer and fall, you would have been thrilled with seeing these boys and girls at Barium, in becoming familiar with the systematized operation of this Home, in realizing the magnitude of the undertaking of providing all the needs and care for over 300 children, and in the comforting knowledge that you were having a part in this endeavor. All such acquaintanceships would inspire you to give a little more, to talk a little more, to pray a little more, and to work a little harder that this 1938 Thanksgiving Offering would be unparalleled in the history of the Presbyterian Orphans' Home.

From here and there, from points nearby and from distant places, from big cities and tiny hamlets come encouraging and gratifying reports - reports which have come direct to Barium Springs and reports which have reached local committeemen, Presbytery committeemen and Synod's Committeemen. This church and that church has set this or that goal for 1938; this church or that church plans to make its greatest Offering for Barium for all-time; this individual or that individual has pledged himself or herself to give more personally of his or her own means, time and effort in behalf of these children.

Hundreds have worked zealously, indefatigably, unstint-

Orphanage Work Secretary Says

To ALL the Women of North Carolina Synodical Auxiliary.

Dear Friends and Fellow Workers:

"In everything **give thanks.**"

"Be careful for nothing; but in everything by **prayer and supplication with Thanksgiving** let your requests be made known unto **God.**"

The message of the great Apostle Paul to his Phillipian friends comes home to us on the approach of Thanksgiving Day. How blessed we are, beyond all others, in things material, and in things spiritual! None of these mercies are deserved nor have they been earned by us, but they are gifts of peace and grace from our loving Heavenly Father.

Some one has said that having given us so much - all good things to enjoy - God puts us on our honor. He trusts us to use His gifts for the help and blessing of others.

I know that you are all glad that our Thanksgiving Offerings

you want the best of foods for their nutrition. Then there is the little one who is not so strong, who just must have those cod liver oil tablets or a good tonic, etc. The dentist tells us their teeth should be looked after at least once a year. Not the wants but the needs seem ever multiple.

Just so, dear friends, think of 313 children who must be housed, schooled, fed, clothed, and given actual necessities of life who have no homes where these things are provided, much less the love of parents. Don't we become their Fathers and Mothers?

The workers of this Orphanage, every one, look upon these children as their very own and have the same ambitions for them, as you wish for your boy or girl. This fall 28 of them were enrolled in some 10 colleges. We are so thankful a way was made possible for them to go, just as much so as you are in sending your boy or girl.

I am sure that every one of you, too, want to see these children have the best available in order that they may become worthwhile citizens.

As we approach this Thanksgiving, let's thank God that we have our own homes, that our circle is unbroken, that God has blessed us through another year and each of us, let's take just one of these children to our hearts, visit the Home which is our own Orphanage. This I believe is the best way to become enlightened. Start right now in your personal prayers to pray each day that this work may go forward. Give as you would sacrifice for your very own.

REMEMBER

Christ said "In as much as ye have done it unto one of the least of these my brethren, ye have done it unto Me."

Thanksgiving And Its Vitalness to Barium

(Continued From Page One)

ingly. Hundreds have made personal expenditures in promoting the Orphanage cause and they have done this gladly, willingly, generously and graciously. To all those hundreds of people go the inexpressible gratefulness of the children at Barium Springs and officials of the Orphanage. If the 1938 Thanksgiving Offering does not stand out eminently among the Thanksgiving responses in the 47-year history of Barium Springs. It won't be because undue efforts haven't been liberally expended by thousands of friends, nor will it be due to a lack of unfamiliarity with this work of the Orphanage. It will be simply and solely because the people don't have the money to give.

No better closing challenge could possibly be extended the Presbyterians of the North Carolina Synod than that which is so ably and effectively expressed in the two-column article on the left-hand side of the front page of this Barium Messenger. Officials were wondering how they would emphasize the Thanksgiving Offering in this November issue, but such wondering was dispelled the early part of this month, when "A Confession, A Revelation and a Challenge" was handed in voluntarily with the statement, "Here's something you can use if you want to, or you can throw it into the trashbasket." Instead of reaching the latter, it was thrown on the front page of this issue, because this analysis of one person's experience is probably applicable in many other cases if a studied analyzation is made of what your particular thought and action was when your 1937 Thanksgiving Offering was contributed.

By the time the December issue of The Messenger goes to press, a fairly good idea of the 1938 Thanksgiving total should be available. May that issue of The Messenger be nothing but a "good news" issue. That depends upon you and the other 84,581 Presbyterians of the Synod of North Carolina!

NEWS FROM SOME OF THE COTTAGES AT BARIUM

ANNIE LOUISE

Hello Friends,

It seems only a few days ago since we wrote you last, but it isn't.

We got our report cards November 1st. Most of them are very good. Pat Hooten, Lee Vinson, Mabel Vinson and Mattie Pearl Denson get to go to the show for making the highest grades this month.

Martha Price, Myrtle Rushing and Callie Dunn had a nice visit from their parents.

Myrtle Rushing's birthday was on October 22nd. She had a lovely birthday cake which she kindly divided with each girl.

Our twins, Betty and Peggy Coffey, have also had a visit from their mother.

Our matron, Mrs. Holton, was sick and we had Miss Sadie Eudy for a substitute matron.

We are sorry Mrs. Holton is sick and hope that she gets well soon.

One of our big girls, Janie Smith, moved from our cottage to Rumple Hall. We miss her, but know that she will have a nice time up there.

We shall say good-by until next time.

—Martha Price
—Pat Hooten

ALEXANDER COTTAGE

Hello Folks,

Here we are giving you the news of the month:

Mr. Sams invited us to the show to see "Touchdown Army." Many thanks to him.

We won the football game last week, 14-0 and we are going to play a tough game with Greensboro next Friday. Today our 125lb team beat Kannapolis 85-0. That is the biggest score that has ever been scored on Sloan Field. Alexander had several boys in that game.

Mrs. Johnston gave us a goat that was donated by a family in Charlotte. We were told that it took first prize in the Mecklenburg county fair. And in honor of Mrs. Johnston, we named her "Miss Annie." She is a bit mischievious, and has a very comic way of doing things.

The first two months of school are up and we got our report cards. This year we are getting report cards once every two months instead of every month. One boy said he was glad of it because he wouldn't have to worry about getting bad grades so often.

I guess this is all the news for this month. So long 'til next month.

—The "Zander" Boys.

WOMAN'S BUILDING

Dear Folks,

It seem just yesterday when we wrote you last, but I suppose it wasn't though and the time has come to write to you again.

I suppose I might as well start on the subject of football first. We have played Lexington, Kannapolis and Gastonia since the last news was published. Lexington and Kannapolis defeated us, but we won a victory over Gastonia.

Our basketball season is starting soon or rather getting ready to, and are we glad because basketball rates "tops" in our sports by most of the girls and most of them go out.

The Virginia Hall Circle girls went on a Halloween Party to our Camp on the river and we had a very good time, playing games, telling fortunes, making candy and several other amusements, which we all enjoyed. Grace Cayton, Gertie Smith were hostesses.

Flora Mae Newnam had a visit from her mother and several other relatives. Also Helen Price's mother came to see her.

Halloween night, several of the girls dressed up and went around to different cottages, and gee, you should have seen some of those little babies' faces when they saw those masks.

The Mooresville Auxiliary which has already furnished a room, sent some other things such as sheets, counterpanes, scarfs, rug (small), pillow cases etc., to put in another room, and we want to show our appreciation to them for all those pretty things they sent to us.

The Home Economics girls have finished their aprons and are so proud of them. We start cooking next month and are we glad because we are very anxious to cook "real" well.

Flora Mae Smith, Ruth Cole, Virginia Cranfill, May and Mable Shoaf and Glenn Lindsay were invited by the Lee's Cottage boys to a Hallowe'en party and from what we've heard, they had a very good time.

We have been invited to Davidson College twice to see them play football and whether they win or lose, we are always pulling for them.

We certainly do enjoy going to see them play. Barium has two boys going to Davidson. They are Eugene Shannon and David Spencer. They are on the freshman team this year and we can hardly wait to see them play next year.

We'll be seeing you next month.

—Mary Ann McCormick

BABY COTTAGE

Hello Folks,

This is the babies coming on the air for our monthly broadcast.

The pre-school age children were invited to a Halloween party by Miss Brandon's class. They came to the Baby Cottage and escorted us to the school room where we listened to a program of songs and music on guitar by Paul Reid. Then we had apple-bobbing and then! A visit from a real ghost, of which we were afraid for a while. Then we had refreshments. After that each child was given a horn and we sauntered down to the football field where we could really make as much noise as we wanted to. Thanks to Miss Brandon and her class for such a happy time.

We have enjoyed visits from ladies of the different churches and hope they will come to see us often.

One of our boys, Tommy Rhyne, received an award for scholarship from the Playhouse. Mr. Sams, we thank you. We feel very proud of Tommy.

Our matron took the pre-school age children for a walk in the woods Tuesday morning. We found so much of interest—birds, mosses, berries, trees, etc. All spoke to us of God's handiwork. Of these the wild birds build their nests and the weary child his pillow and as the earth's first mercy so they are its last gifts to us. When all other service is in vain from plant and trees the soft mosses take up their watch and do the service forever.

The campus has a goat and a kitten which the Baby Cottage girls and boys have a lot of fun playing with.

One of our boys went to the October birthday dinner. He was Jackie Williams.

We miss Mrs. Milton and Mabel and wish for them a speedy recovery. Our neighbor, Mrs. Holton at Annie Louise Cottage, has been ill. We miss her and hope she will soon be well again.

Home-Coming Day will be the 19th of November this year. We always set off a day for our former Barium boys and girls, now men and women, who will come to see us. We will be looking for you all.

Jackie Williams, Kenneth Matthew, Billy Dunn, Clyde and Dwight Reid have all had visits from their loved ones since our last broadcast to you.

Our big girl, Hattie Michael, was invited away for the weekend. We were delighted to have Louise Martin stay with us in her absence.

We all got new corduroy overalls and a jacket to match. We are all anxious to show them off.

Mr. Johnston let us go to see "Touchdown Army". It was a good picture and we certainly do thank Mr. Sams for inviting us.

As you all know, our school has started and out of our 12 boys, six of them go to school and the rest stay at home with Mrs. Southerland. Our school boys are Paul Barnes, Douglas Davis, Clyde Reid, John Bullard, Tommy Rhyne and Billy Dunn.

We have been going to a lot of football games lately. We hope some day to be scoring touchdowns for dear old Barium.

That is all for this month.

—"Just Us Babies"

LEE'S COTTAGE

Hello everyone,

This is Lee's Cottage back with its bit of news.

We are wondering if anybody else had as much fun on Halloween as we did. The big boys had charge of the party and invited a few of the girls from some of the other cottages. These girls were there: Flora Mae Smith, Ruth Cole, Virginia Cranfill, Glenn Lindsay and May and Mable Shoaf. We played games such as "Halloween Basket", Black Magic", "Brain Twister" and "Bingo." We ended it up with a "Taffy Pull."

We seem to be getting along better in our football. The 100-pound team has lost two games and won three out of five. The 125-pounders have won all of their games. Both the 100- and 125-pound teams will have a game with Oxford here soon. We enjoy having the boys from Oxford visit us.

All of us seem to be doing good in our school work. We have received our report cards for the first time. (This year we get them every two months.) Most of us had good grades.

This is the last of our news. We hope to have more next month.

HOWARD NEWS

Hello Folks,

Here we are again. It only seems yesterday since the last time we wrote the news.

We sure are having beautiful weather for November.

Last night the Woman's Auxiliary gave a play taken from the Mission Book, "City Shadows." It was fine and we all enjoyed it.

We are through stringing beans for the year and we certainly are glad. It's the latest we've had them.

Tuesday we had a football game with Kannapolis' 125-pound team. We beat them 85 to 0.

Anne McDonald, Betty Lou Williamson, Nita Shepherd, Elizabeth Langley and Toni Delancey get to go to the show for making the highest averages in school the last two months.

We had a very nice time Halloween night. Toni Delancy's mother sent us some false faces and candy. We all enjoyed them very much.

We will be signing off until next month.

RUMPLE HALL

Say girls, let's play a game of make believe. Come to Barium and spend a day with us like this:

At six o'clock in the morning a bell rings that tells us it is time to get up. (Now that it is getting cold, we "kinda" hate that.)

We Rumple Hall girls wait on the tables in the dining-room so we must hurry in at 6:20 to get the food on the tables before all the others come in at 6:30.

After everyone has finished breakfast we wash the dishes and set the tables for lunch. It takes about thirty girls about an hour and a half to do this.

Four girls, whom we call the "house-cats," do the house cleaning upstairs where we live.

We who work in the dining room are sometimes known as "dining room rats". We are out of school about an hour for lunch. One group stays for another hour and does a part of the dishwashing and then stay in school while the other group comes home to finish the work left undone. Of course, at supper we do our regular work.

Now you may think we keep pretty busy and we do, but we have plenty of fun, too. Just come and see for yourself.

Saturday our 100-pound team and 125-pound team played the same teams from Oxford. My, how it did rain. I think they forget that, though, when they started to play. We really do like football.

Betty Adams had a visit from her aunt last Saturday. Annie Sue Wilson's sisters and father came to see her. Dorothy Gibbs enjoyed a visit from her mother and Lula Bell and Leona Hall also had a visit from their father.

We have been having some good chapel programs. Each Thursday one grade has a program. All the grammar grades have had theirs and the eighth grade gave a Latin play last week. It was a Roman wedding.

SYNOD'S COTTAGE

Hello Friends,

Time certainly passes quickly. Here it is time to write to you again when it seems as if it were only yesterday when you heard from us.

Mr. Sams invited us to the show not long ago to see a football picture. The name of it was "Touchdown Army." We sure did enjoy it a whole lot.

Earl and Bobby Allen had a visit from their people. They brought a box of candy for all of us. Gene

News About Barium Alumni

Ritchie—Purdy

From Statesville Daily of November 14th:

In a simple service of dignity and beauty, solemnized Saturday evening at seven-thirty o'clock at the home of the bride's parents on East Front Street, Miss Catherine Parks Ritchie was wedded to Mr. Frank Kerr Purdy of Charlotte.

The ceremony was private, with attendance limited to members of the families and intimate friends. The officiating minister was Rev. Dr. Charles E. Raynal, pastor of the First Presbyterian Church.

The living room was lighted only by the soft radiance of candles and the glow of an open fire. Before a west window white chrysanthemums and ferns formed an altar, with seven-branched standards of cathedral tapers at either side. Through the room, bowls of white chysanthemums were used with lovely effect.

Just before the ceremony, Miss Margaret Ritchie, the bride's sister, who was at the piano, played Schubert's Serenade. The bridal chorus from Wagner's Lohengrin was played as the bride and bridegroom entered the living room together. During the service MacDowell's "To A Wild Rose" was softly played and Mendelssohn's wedding march signaled the end of the ceremony.

The lovely young bride wore a smart daytime dress of gold alpaca crepe, with full pleated skirt. Her hat and other acessories were brown and her flowers were a shoulder bouquet of pink roses and valley lilies. For traveling she wore a separate coat of beige wool, collared with beaver.

The bride is the youngest daughter of Mr. and Mrs. C. E. Ritchie, of this city. She was educated in Statesville schools and since her graduation from Mitchell College has been in the offices of the Parks Realty Company.

Mr. Purdy is the only son of Mrs. Mamie L. Purdy, of Barium Springs. He received his education at Barium high school and at Davidson College, where he was a popular member of campus organizations and an all-star football player. He is connected with the Charlotte oiffices of Twentieth Century Fox Film Corporation.

After their marriage, Mr. and Mrs. Purdy left immediately for a week's motor trip to points South. On their return they will be at home in Charlotte, where they have an apartment on Trade Street.

Cards making formal announcement of the marriage are being issued.

Four of Barium's graduates rendered a very valuable service to the Orphanage this fall, when they spoke before group conferences in Wilmington Presbyterial. Miriam Sanders and Iris Spencer, 1935 graduates, spoke at Mount Olive and Whiteville, respectively. Nellie Johnson, a '38 alumnus, spoke at Burgaw and Martha Adams, another 1938 graduate, spoke at New Hope and Elizabethtown. All four of these girls are students at Flora Macdonald College at Red Springs. Miriam and Iris will graduate next spring, while Nellie and Martha are attending that institution for the first time.

Mrs. A. F. Womble, of 107 Charlotte Ave., Sanford, Mrs. Oscar Starling, of Wade, and Miss Jane McIver, of 318 W. 27th St., Winston-Salem, are former Barium girls who are secretaries of Orphanage work in their respective Auxiliaries in the Sanford, Bluff and Geo. W. Lee Memorial churches. Mrs Womble visited Barium when the Orphanage Secretaries of Orange Presbyterial met here. Mrs. Starling has been back two or three times in the past few years. Maybe some other Barium girls are Orphanage Secretaries in other Auxiliaries. Miss McIver was here recently with a group of ladies from her Auxiliary.

Margaret Pittman has finished her nurse's training and expects to work in Durham. She and her brother, Paul, were at Barium recently, stopping by here enroute home from the N. C. State-Davidson football game in Charlotte. Paul has accepted work in Washington, D. C., and will soon report for his new duties in that city.

J. Robert Estridge, more familiarly known to alumni as Bob Estridge, was at Barium in October. He has been married since 1933, the bride being Miss Ann Friedli of Hamrell, Ark. Bob is now located in Brinkley, Ark., and is manager of a service station and tourist camp. A new tourist camp was in the process of construction while he was spending a little vacation in North Carolina.

Mrs. Chas L. Chapman now lives at 1924 Lincoln Park, W., Lincoln Park Apts., Chicago, Ills. Mrs. Chapman was Mita Walker before marriage.

Clara Wadsworth is training to be a nurse and is in Pittman Hospital, Fayetteville.

Mrs. P. H. Beeson (Margaret Patterson), Route 2, Box 734-B, Greensboro, recently sent a letter to Barium that was "chock" full of information about alumni, and if such a communication would come from here and there, a great deal of information could be given about old Barium boys and girls. The items immediately listed below was disclosed by Mrs. Beeson.

Mrs. Ray Tysor (Marguerite Jordan) and Mrs. Guy Jackson (Miriam Jordan) both live at 411 Hillside Drive, Greensboro. Guy Jackson, husband of the former Miriam Jordan, is at the Guilford Sanatarium, Jamestown, N. C. This latter information has been known here ever since Guy entered that Sanatarium, for he keeps us well informed. However, it is being passed along for the information of the alumni.

Another one of the Jordan girls - Annie - is also married. She is now Mrs. John Gamble and lives at 2316 Lawndale Drive, Greensboro.

Clayton Jordan lives in Asheville, but his address in that city was not given by Mrs. Beeson.

Charlie Carricker can be reached cfo Carricker Printing Company, Winston-Salem.

Jessie Grier lives on Circle Drive, Charlotte, but Mrs. Beeson did not know his house number on that drive.

Ruth Patterson lives at 1767 Q St., N. W., Washington, D. C. That's another name of an alumnus to add to that ever-increasing list of alumni in the national capitol.

L. B. Wade is in the dry cleaning business and is getting along unusually well, writes Mrs. Beeson, and his residence address is 707 Englewood Drive, Greensboro.

Gladys Wade is now Mrs. L. J. Logan and is living away out in Warland, Wyoming. That's not quite as far away as Dallas and Dennis Williams, who are living in Idaho, where they went when they left Barium. You might say that Mrs. Logan and the Williams are next-state neighbors.

Mrs. John Bean (Johnsie Wade) has her home on Centennial Ave., High Point.

Roy Wade is also in High Point and lives at 414 Walnut Street in that city.

Mrs. Louis R. Walker, Box 185, Terrace, Penn., is the former Bertie Craig. If you want to write to her Mrs. Beeson advises you to put "please forward" on the envelope, for she travels with her husband.

Mrs. S. F. M. Maclaren, 51-01 39th Ave., Apt. F-53, Long Island City, N. Y. is a rather long address on anybody's envelope, but that's the address for the former Mary Craig.

No complete address is available for Mrs. W. C. Maclaren (formerly Alice Craig), but Mrs. Beeson knows that Alice is now in London, England, with her husband. Mary and Alice Craig married brothers. Mary has a little girl who is three years old.

Joseph A. Craig is connected with the Duke Power Company at Leaksville. He is married and has a little girl about a year old.

Do you know any other alumni news? We know that there's plenty always happening to the alumni, but we just fail to jot down the facts and when it comes time to go to press, they escape our minds. If you know anything of interest, drop a postal card with the information about it to Miss Lucille Burney, Barium Springs. Lucille has been asked to act somewhat as an alumni editor. She'll be glad to hear from you.

ORPHANAGE SECRETARY

are always given for our Barium Orphanage. We have been thinking about and studying about Barium; we have been, either in person or by using the program, on a visit to Barium. Now it only remains to give, joyfully, a gift that shall express our gratitude to God.

If everyone of the 84,582 Presbyterian men, women, young people and children in North Carolina will make a generous Thanksgiving gift, this will be a time of joy for Barium Springs and for us all. Let us express our Thanksgiving not only in words, but in gifts.

How thankful are you anyway? May you every one have the very happiest Thanksgiving season.

Faithfully yours,
(Mrs. C. E.) Margaret S. Raynal,
Synodical Secretary of Orphanage Work.

Cottage News

(Continued From Page Two)

Bonous also had a visit from his people.

We went to see Davidson play Carolina last Saturday. We were pulling for Davidson, although they did lose.

Some friends sent us some funny paper books. We certainly do enjoy reading them when we can't go out. We thank them very much.

Miss Taylor is giving prizes to the boys who do their work all right each month.

Mr. and Mrs. Jarman from Durham visited us Sunday. They looked over our cottage and then took pictures of us.

Our teachers gave most of us a Halloween party at school.

We soon get our report cards for the first time this year. We are all anxious to see how we came out on the new grading system.

We are closing until next time.

Synod	**$4,610.46**	**$125.00**	**5.6c**	**24.4c**

The Orphanage enters the Thanksgiving month of 1938, with the regular giving from the Synod of North Carolina $623.64 less than what it was on October 31, 1937. That is a cumulative decline over a period of months, and during the month of October it was augmented to the extent of $276.40, for the regular donations were that much less in the same 31-day period of 1937.

Officials are not interpreting this difference as a criterion upon which to base their expectations during the Thanksgiving-period. It may be that this difference is indicative of the trend; if so, it would mean a 3.2% drop in the Thanksgiving Offering. Authorities prefer to think that mavbe the regular funds have been contributed to the Home, but simply have not been forwarded, and that the final regular total, as well as the Thanksgiving Offering, will be what it was in 1937-1938.

Sunday School Meals

North Carolina Sunday Schools were, on October 31, 1938, $174.91 behind their giving on the same date a year ago. That is not such an alarming difference between the total given to Barium Springs by the Sunday Schools for the two years, but the wish is expressed that the above was a positive figure instead of a minus one.

Rocky Mount First, Olivia, Durham First, Gastonia First, Caldwell Memorial, Monroe, Rockingham, Buffalo (G) and Westminster (O) are nine Sunday Schools to join the $100.00 Club within the past two months.

Albemarle Sunday School continues to lead all others in the amount of money given to Barium Springs, with a total of $317.15 to its credit.

The other 19 in the $100.00 Club are Concord First, $250.87; Winston-Salem First, $224.91; Tenth Avenue, $220.97; Burlington First, $194.65; Rocky Mount First, $193.23; Caldwell Memorial, $171.74; Salisbury First, $170.00; Shelby, $164.09; Greensboro First, $159.46; North Wilkesboro, $155.48; Durham First, $152.50; Kannapolis, $146.35; Myers Park, $142.86; Rockingham, $136.27; Buffalo (G), $134.86; Gastonia First, $119.19; Olivia, $105.08; Westminster (O), $102.73; Monroe, 102.49.

With 10 cents per meal used as a basis, the following meals could have been served the Barium boys and girls in the past two years and seven months:

April	8,589	7,569	7,012
May	11,049	11,776	13,469

Totals	**184,582**	**187.804**	**92,443**

No. Organizations

During October, first regular reports were received from 23 Church budgets, 13 Sunday Schools and 21 Auxiliaries, to give a total of 571 different organizations helping the Orphanage through October 31st. That was an increase of 57 over the number of organizations assisting through the first six months. The following is the distribution:

INFIRMARY

Dear Readers,

It seems only yesterday that we wrote you last, but it has been quite a while. Since then we have had quite a number of things to happen at the Infirmary.

At the present we don't have any patients. We have had a few with the flu, but they are well and have gone home. Mabel Milton has been staying with us, while her mother was in the hospital in Charlotte. We enjoy having her.

Miss Lackey has sold many of her chrysanthemums. She has sold them in Charlotte, Statesville and here at home.

Mrs. McNatt and Mabel Milton had a birthday this week. Mabel received many presents from relatives and friends. Mabel said that her birthday had lasted over a week.

Mr. and Mrs. Barkley are going to move over and live with Mr. and Mrs. Neel. We have enjoyed having them live with us and we will more than miss them.

Mr. Sossamon and Mr. Calhoun have moved from Jennie Gilmer to live with us. We are glad to have them.

Geraldine Blue and Lillie MacDonald were invited to a Halloween party over at Lee's Cottage. We don't know who talked most of the party, Geraldine or Lillie.

Nancy Stafford and Sadie Mills are acting as hostess Friday night, when the Virginia Hall Mission Band meets here.

Look for us again next month.

—Lillie MacDonald.
